The new PantherExpress System User interface is not compatible with IE7. It is also not compatible with IE8 and IE9 in compatibility mode.

IE8 and IE9 disabling “Compatibility Mode”

- From the IE Tools dropdown click “Compatibility View”.
- If a checkmark appears to the left of the menu option Compatibility Mode is on:

![Compatibility Mode on](image1)

Compatibility Mode is off: Click on the menu option to “uncheck” the option.

If the new PantherExpress System User Interface still does not display

1. Clear the browser cache and restart the browser.

2. Under the Tools menu, open "Compatibility View Settings" and check "Display all websites in compatibility mode".

3. Click "Close".

4. Under the Tools menu, open again the "Compatibility View Settings" and uncheck "Display all websites in compatibility mode".

5. Also uncheck "Display intranet sites in compatibility view".

6. Click “Close.”
