stilghman@su-group.com

Specialty Underwriters is the contracted supplier for the University's equipment maintenance management. This program provides:

- 17-35% cost savings on office and lab service agreements
- 10-20% cost savings on any patient care equipment
- A single toll-free number for all service calls
- Reduction in paperwork – Specialty Underwriters pays your suppliers directly.

Purchasing Instructions:

Specialty Underwriters Group has established a dedicated client services website for the University of Pittsburgh.
